INVIGILATION GUIDELINES & RULES

1. Please collect the Exam material 20 minutes before the Start of the Exam.
2. Please be in the Exam hall at least 10 minutes before the start of the exam.
3. The course teacher of the particular subject or the coordinator should visit the exam room at least once to check if there are any errors in the question paper and report it to the CoE in order to resolve the issue.
4. Please do not use your mobile phone while invigilating and kindly make sure to keep them in silent mode.
5. Please announce the rules to the students before the start of the exam.
6. Please instruct the students not to bring their mobile phones into the examination hall.
7. Please discourage students from sharing ruler, pencil, eraser, calculator etc during the examination.
8. If any cheating cases are found during the Invigilation Duty, please contact the CoE immediately.
9. If any of the students arrive in the Exam hall after 10 minutes from the start of the Exam, please do not allow them to take the exam and contact the CoE immediately.
10. Please return all the papers to CoE office after the completion of the Exam.
11. Swapping of invigilation duties without prior notice may lead to problems. Please intimate the CoE as early as possible to get a substitute.

Forest College & Research Institute, Mulugu
